Dear Hiring Manager,

I am a product designer with over five years of experience creating intuitive and engaging digital experiences. I have worked on SaaS platforms and helped improve usability and user engagement across web and mobile.

At Atlas Studio, I led design efforts that improved product adoption and user satisfaction. I care deeply about solving real-world problems through thoughtful, system-driven design.

I would welcome the opportunity to contribute my skills and collaborate on impactful products with your team.

Thank you for your time and consideration.

Sincerely,
Maya Chen
